At 3B we provide nationally recognised accredited training via our suite of high-quality courses which can be accessed online, in classrooms and in-house.

What are the benefits of Online Learning?

- High quality delivery
- Removes the need to travel
- Reduces the time spent off site or away from the office
- Attend from any location via Zoom
- Access the same content as classroom courses
- Tutor is live throughout the course
- Delegates can chat with each other via a chatbox
- Exams are completed online
- Most courses include a digital copy of the course book

Classroom Locations

With eight training venues across the UK, we can offer plenty of availability for traditional classroom courses. We offer training at the following locations...

Midlands

- Derby
- Dudley

North East & Yorks

- Doncaster
- Durham
- Leeds

North West

- Liverpool
- Manchester
- Wigan

Course Feedback

We receive amazing feedback about our courses...

“The quality of the courses are excellent, and we always receive positive feedback from our staff. 3B is professional, competitive on price and deliver a good quality service.”

Nicola Blakemore at Seddon Construction Ltd

You can book courses online at 3btraining.com where you can also find full course details, upcoming dates, prices, blogs and testimonials.
