What are the benefits of eLearning?

Cost-effective

✓ eLearning courses cut out the costs for any travel expenses or training materials.

Flexibility

✓ The delegate can access the course wherever they are, whether that is on a laptop, desktop, mobile phone or laptop.

Self-Driven

✓ Delegates can learn at their own pace.

Immediate Feedback & Results

✓ Each module within the course must be passed to complete the course. Therefore, delegates will get instant feedback as they're going along. Once the delegate has completed and passed the course, they will have a digital certificate available to download.

Less Impact On Environment

✓ eLearning helps protect the environment as it is a paperless way of learning. It's also eco-friendly as it eliminates the need to travel to a venue.

Comfortable Environment

✓ Some learners can feel uncomfortable with assessments in the classroom, eLearning can provide an alternative.
