

Plant Training

Accessing Equipment, Small Equipment & Street Works

- Paver
- Road Planer
- Road Roller
- Winching & Recovery
- Abrasive Wheels
- Cable Avoidance Tool
- Chainsaw
- Concrete Cutting Chainsaw
- Hoist
- Mast Climber
- MEWP (3a/3b)
- Mobile Towers

Earthmoving Machinery & Transportation

- Agricultural Tractor
- All-Terrain Vehicle
- Dozer
- Excavation Marshal
- Excavator 180 & 360
- Forward & Rear Tipping Dumper
- Scraper
- Shunter Vehicle
- Skidsteer Loader
- Skip Loader
- Suction Excavator
- Tiltrotator System
- Tow Tractor
- Grader
- Loading Shovel
- Micro Excavator 360
- Multi-Lift & Drop
- Plant Loader & Securer
- Quick Hitch Awareness

Lift Trucks & Cranes

- Appointed Person
- Compact/Crawler /Mobile Crane
- Crane Supervisor
- Excavator as a Crane
- Counterbalance Lift Truck
- Lorry Loader
- Lorry Mounted Lift Truck
- Marine Knuckle Boom Crane
- Gantry/Tower Crane
- Reach Lift Truck
- Rigging and Fleeting Loads
- Rough Terrain Lift Truck
- Side Loader
- Slinger/Signaller
- Telescopic Handler

Miscellaneous Equipment

- Crusher
- Piling/Drilling Rig
- Static Concrete Boom

What is NPORS?

National Plant Operators Registration Scheme/ CSCS Accredited Courses are CLC recognised qualifications for plant machinery operators.

NPORS training gives the delegate both the skills and the knowledge to safely operate their selected piece of plant machinery.

There are multiple routes to obtain your NPORS card:

- The NPORS Traditional Route
- Red Trained Operator & Blue Competent Operator Route

3B Training is an NPORS Accredited Provider, meaning we are an organisation with trained instructors who can deliver quality training to novices with no experience, up to experienced workers who only require the test.

What are the main benefits of choosing NPORS?

- NPORS can accommodate multiple delegates on the same session for one cost.
- NPORS training can be delivered on your site with your machinery. This means the instructor can tailor the training to the delegates needs and environment they work in, which may make the delegates feel more comfortable too.
- NPORS also offer a wide variety of short courses like Abrasive Wheels, Vehicle Banksman and CAT & Genny which other schemes don't.
- If you are a CITB registered company, your grant can be claimed upon achievement.
